

MR429

MediaRange Medical Line DVD-R 4.7GB|120min 16x speed, inkjet fullsurface printable, Cake 50

MediaRange Medical Line DVD-R media provide maximum reliability and are developed to meet the unique demands of healthcare environments. Our DICOM compliant Medical Line media are manufactured under highest quality standards and ensures highest possible read and write performance with a writing speed of up to 16x. The excellent compatibility with PACS image recording systems, burners and players allows for long term archival of sensible patient data. With a printing area of 26 - 118mm these discs are perfect for professional inkjet printing. The completely metalized underside of the disc allows for a top-quality image.
