MediaRange

Reliable USB-A to HDMI™ Connection for Full HD Audio & Video Output

Our USB-A to HDMI™ Audio and Video Converter ensures easy integration of laptops, desktops, and other USB-A-enabled devices into modern AV setups – whether in conference rooms, classrooms, or home cinemas.

With support for resolutions up to 1920 x 1080 @ 60 Hz, this compact converter offers smooth video playback and synchronized audio transmission.

Thanks to Plug & Play functionality, no additional drivers are needed. The sturdy construction and gold-plated contacts guarantee stable and consistent performance, while the compact design allows easy transport and setup.

Whether you're presenting content in meetings, streaming media at home, or connecting displays in digital signage applications, this converter delivers reliable performance.

Key Features:

- **High-Speed Data Transfer:** Up to 5 GB/s for stable and smooth video & audio streaming.
- **Full HD Output:** Supports resolutions up to 1920 x 1080 @ 60 Hz.
- **Plug & Play Compatibility:** Instantly works with Windows, macOS, and Linux without drivers.
- **Compact & Lightweight:** Compact and lightweight for any workstation.
