MediaRange DisplayPort™ to DVI Connection Cable, 2.0m, Black

MediaRange DisplayPort™ to DVI Connection Cables are engineered to deliver stunning visuals and seamless connectivity for your audio-visual experience, whether for entertainment, gaming, or professional presentations. Our wide range of dependable high quality cables guarantees a reliable and efficient connectivity solution for various applications.

Technical Specs:

- Cable Type: DisplayPort™ to DVI Connection Cable
- Connector A: DP-Plug, 20-Pin, ver. 1.2
- Connector B: DVI-D-Plug, 25-Pin (24+1), Digital Dual Link, Screwable
- Supports 1080p Full HD
- Gold-Plated Contacts
- AWG: 30 (0,255mm diameter)
- High-quality shielding for low-loss signal transmission
- Shape: Round

- Length: 2.0m
- Color: Black

Note:

DisplayPort™ and the logo are registered trademarks of VESA.

FEATURES

- High Definition Video and Audio Transmission: Supports the transmission of high-definition video and audio signals, allowing you to connect various devices such as TVs, Blu-ray players, gaming consoles, and computers.
- Resolution Support: The cables can transmit video resolutions up to 1080p (Full HD), providing crisp and clear images for your viewing pleasure.
- DP-Plug-20-Pin, ver. 1.2: Featuring a 20-pin configuration, this cable enhances data transmission efficiency and reliability, catering to the needs of modern networking systems.
- DVI-D-Plug-25-Pin (24+1): Equipped with 25-pin connectors in a 24+1 configuration, this cable supports Digital Dual Link technology and effectively doubles the transmission power for improved digital signal transmission.
- Durable Design: The cable is high-quality shielded and designed in a round shape. This combination ensures enhanced protection against electromagnetic interference, maintaining a stable and reliable connection.
- Deep Color and x.v.Color Support: Supports Deep Color and x.v.Color technologies, allowing for more vibrant and lifelike color reproduction in supported content.
- 2.0m Length: Providing a suitable and practical length for connecting devices over short to medium distances.

APPLICATIONS

- Home Entertainment: Perfect for connecting a video device with a monitor, TV, computer and other devices.
- Gaming: Delivering optimal performance and reliability for an excellent gaming experience.
- Business: Professional Presentations with reliable connectivity for projectors and displays.
