

MR257

Mini CD-R 220MB | 25min, 32x speed, inkjet fullsurface printable,
50-Pack Shrink

MediaRange Mini CD-R storage media, with a diameter of just 8cm, are perfect for archiving your data quickly and efficiently. The excellent recording stability allows your data to be saved in just a few minutes with writing speeds of up to 24x. The superb compatibility with CD burners and players ensures that you can access your personal photos, documents, music, videos and backups anywhere and at any time. Our entire range of storage media are known for their long archival life and excellent UV light resistance. The full-surface printable discs can be used with all inkjet printers that have a CD print function. Give your media an individual and professional design just the way you want.
