- Cable Type: HDMI™ to DVI Connection Cable
- With Ferrite Core
- Connector A: HDMI-Plug, 19-pin
- Connector B: DVI-D Plug, 25-pin (24+1), Digital Dual Link, Screwable
- Supports 1080p Full HD
- Gold-Plated Contacts (HDMI™)

- Nickel-Plated Contacts (DVI)
- AWG: 30 (0,255mm diameter)
- High-quality shielding for low-loss signal transmission
- Shape: Round
- Length: 2.0m
- Color: Black

Note:

HDMI™ and the logo are registered trademarks of the HDMI L.L.C.

FEATURES

- High Definition Video and Audio Transmission: Supports the transmission of high-definition video and audio signals, allowing you to connect various devices such as TVs, Blu-ray players, gaming consoles, and computers.
- Resolution Support: The cables can transmit video resolutions up to 1080p (Full HD), providing crisp and clear images for your viewing pleasure.
- Ferrite Core for EMI/RFI Suppression: The inclusion of a Ferrite Core helps suppress electromagnetic interference (EMI) and radio-frequency interference (RFI), enhancing signal stability and reducing potential artifacts in the transmitted video.
- DVI-D-Plug (24+1 Pin): The cable is equipped with HDMI™ plug and DVI-D plug (24+1 Pin), offering compatibility with a wide range of devices and configurations.
- Durable Design: The cable is high-quality shielded and designed in a round shape. This combination ensures enhanced protection against electromagnetic interference, maintaining a stable and reliable connection.
- Deep Color and x.v.Color Support: Supports Deep Color and x.v.Color technologies, allowing for more vibrant and lifelike color reproduction in supported content.
- 2.0m Length: Providing a suitable and practical length for connecting devices over short to medium distances.

APPLICATIONS

- Home Entertainment: Perfect for connecting a video device with a monitor, TV, computer and other devices.
- Gaming: Delivering optimal performance and reliability for an excellent gaming experience.
- Business: Professional Presentations with reliable connectivity for projectors and displays.
