

MROS202

MediaRange Wired Optical 6-Button Mouse with Scroll-Wheel, DPI- and Thumb Buttons, 800 - 2.400 dpi, for Right-Handers, 1.5m Cable, Black/Grey

Precision and Comfort for Every Workstation

MediaRange offers a comprehensive selection of wired and wireless keyboards and mice, designed to meet the needs of both professional and everyday users. Whether you're looking for ergonomic solutions, compact designs, or high-performance peripherals, our products provide precision, durability, and user-friendly functionality.

From office environments to gaming setups, our keyboards and mice deliver responsive keystrokes, smooth navigation, and reliable connectivity—helping you stay productive and comfortable throughout the day.

Reliable and Simple Navigation

Our Wired Optical 6-Button Mouse is designed for right-handed users, offering an ergonomic comfort and advanced functionality. Featuring DPI adjustments between 800 and 2,400 dpi, and strategically placed thumb buttons, it is perfect for users who demand both comfort and performance.

With a 1.5-meter cable, the mouse ensures a stable and responsive connection. Whether you're working in the office, at home, or on-the-go, this plug-and-play mouse is the perfect no-fuss solution for users who need reliable performance without any setup hassle.

Compatible with Windows, macOS, and Linux, this Plug & Play device requires no additional drivers—just connect and start working effortlessly. Whether for office use, home setups, or mobile productivity, this wireless mouse delivers comfortable navigation and reliability in any environment.
