

MR918

MediaRange USB 3.2 Gen 1 Flash Memory Drive with Sliding Mechanism and Key Chain, Silver/Black, 128GB

Reliable Storage for Everyday Use

MediaRange offers a versatile selection of storage solutions designed to meet the demands of modern digital life. Whether you're backing up important files, sharing documents, or carrying essential data on the go, our flash memory drives deliver dependable performance in a compact form.

Our USB 3.2 Gen 1 Flash Drive combines classic design with durable construction, featuring sliding protective housing for added protection. With 128GB of storage, it offers ample space for documents, photos, and media, while ensuring excellent compatibility with all common operating

systems. Plug & Play functionality makes it ready to use right out of the box—no installation required.

Compact and Convenient USB Storage

This USB Flash Drive is built for efficiency and portability. Its robust sliding mechanism protects the connector during transport, and its lightweight design makes it easy to carry on a keychain, lanyard, or in your pocket. Ideal for everyday use at home, in school, or at the office.
