MROS104-UK

MediaRange Wireless Keyboard and Mouse Set, QWERTY (UK), Full-Size with Numeric Keypad & Function Keys, 6-Button Mouse, Scroll-Wheel & Thumb Buttons, 800 - 1.600 dpi, for Right-Handers, Black

Precision and Comfort for Every Workstation

MediaRange offers a comprehensive selection of wired and wireless keyboards and mice, designed to meet the needs of both professional and everyday users. Whether you're looking for ergonomic solutions, compact designs, or high-performance peripherals, our products provide precision, durability, and user-friendly functionality.

From office environments to gaming setups, our keyboards and mice deliver responsive keystrokes, smooth navigation, and reliable connectivity—helping you stay productive and comfortable throughout the day.

Reliable and Simple Navigation

Our Wireless Keyboard & Mouse Set is designed to provide comfortable and efficient performance, making it ideal for both office and home use.

With a full-size keyboard layout, including a numeric keypad and function keys, you'll have quick access to frequently used functions. The durable keys are tested for over 10 million keystrokes, ensuring long-lasting performance.

The Optical 6-Button Wireless Mouse is designed for right-handed users, offering an ergonomic comfort and advanced functionality. Featuring DPI adjustments between 800 and 1.600 dpi, and strategically placed thumb buttons, it is perfect for users who demand both comfort and performance.

Equipped with a 2.4 GHz wireless USB dongle, both the keyboard and mouse offer a stable connection with up to 10 meters of range, providing flexibility and freedom from tangled cables.

Compatible with Windows, macOS, and Linux, this set requires no additional drivers—simply connect the USB nano receiver and start working effortlessly.

Whether you're setting up a home office, working remotely, or enhancing your workstation, our Keyboard & Mouse Set delivers wireless convenience, reliable performance, and ergonomic comfort in any environment.
