MediaRange Charge and sync cable, USB 2.0 to micro USB 2.0 B plug, 1.8m, black

Seamless Connectivity for Every Setup

MediaRange offers a comprehensive selection of high-quality cables and converters, designed to meet the needs of both professional and everyday users. Whether you're looking for a reliable adapter, a converter or durable connectivity accessories, our products ensure seamless integration and performance.

From office workstations to home entertainment systems, our cables and converters provide clear, stable signal conversion, support resolutions up to 3.840 x 2.160 @ 60 Hz, and they are ready for immediate use thanks to Plug & Play. Experience smooth video and Audio output and dependable performance for all your display needs.

Reliable USB 2.0 to Micro USB Cable for Everyday Use

Our USB 2.0 to Micro USB cable is the ideal solution for charging and syncing a wide variety of smartphones, tablets, and other Micro USB-compatible devices. With a length of 1.8 meters, it offers added flexibility and convenience whether at home, in the office, or on the go.

Built with nickel-plated connectors and 28 AWG internal wiring, this black round cable supports high-speed data transfer up to 480 MBit/s, while ensuring safe and stable charging. Its robust construction and universal compatibility make it a dependable choice for daily use.

Key Features:

- **USB 2.0 High-Speed:** Supports data transfer rates up to 480 MBit/s
- **Plug & Play:** No drivers required for most operating systems
- **Charge & Sync:** Dual-purpose cable for both power and data
- **Extended Reach:** 1.8m length for flexibility in use
- **Durable Build:** Nickel-plated connectors and round cable for long-term reliability
