

MRCS195

MediaRange High Speed HDMI® Cable with Ethernet, 4K @ 60 Hz, 18 Gbps, Cotton-Braided, 1.0 m, Black

The High Speed HDMI® Cable with Ethernet is designed for transmitting high-resolution digital audio and video signals between compatible HDMI devices. With support for resolutions up to 4K UHD (3840 × 2160) at 60 Hz and a bandwidth of up to 18 Gbps, the cable is suitable for connecting TVs, monitors, projectors, game consoles, Blu-ray players, AV receivers and other HDMI-enabled devices.

HDR support enables the transmission of high dynamic range video signals, while ARC (Audio Return Channel) allows compatible TVs to send audio back to an AV receiver or soundbar through the same HDMI connection. The HDMI Ethernet Channel also supports network communication between compatible HDMI devices. 3D video transmission is supported as well.

The cable features a triple-shielded construction and a PVC cable jacket with an additional cotton outer braid, providing reliable signal transmission and a durable braided exterior.

FEATURES

- High Speed HDMI® Cable with Ethernet
- HDMI Type A male to HDMI Type A male
- Supports 4K UHD (3840 × 2160) @ 60 Hz, HDR, ARC, 3D and HDMI Ethernet Channel
- Data bandwidth of up to 18 Gbps
- Durable cotton-braided exterior
- Round cable design
- Cable length: 1.0 m
- Color: Black

TECHNICAL SPECIFICATIONS

- Connection: HDMI Type A male to HDMI Type A male
- Maximum resolution: 3840 × 2160 @ 60 Hz
- Maximum bandwidth: 18 Gbps
- Video features: HDR, 3D
- Audio feature: ARC (Audio Return Channel)
- Network feature: HDMI Ethernet Channel
- Contacts: Gold-plated
- Conductor: Copper
- Wire gauge: 30 AWG
- Shielding: Triple shielded
- Cable jacket: PVC with cotton outer braid
- Cable shape: Round
- Cable length: 1.0 m
- Weight: approx. 71 g
- Color: Black

PACKAGE CONTENTS

- 1 × High Speed HDMI® Cable with Ethernet

APPLICATIONS

APPLICATION

Designed for connecting compatible HDMI source devices to displays and AV equipment. Suitable for use with desktop PCs, notebooks, game consoles, Blu-ray players, streaming devices, set-top boxes and AV receivers as well as TVs, monitors and projectors with HDMI interfaces.

Ideal for transmitting high-resolution audio and video signals in home entertainment, gaming, office, presentation and multimedia applications. The cable can also be used in compatible setups supporting HDR, ARC, 3D or HDMI Ethernet Channel functionality.

OPERATING AND STORAGE CONDITIONS

For indoor use only. Use and store in a well-ventilated environment at ?5 °C to +45 °C and 20% to 85% Relative Humidity (non-condensing).

SAFETY NOTES

Read the instructions carefully and observe the safety information. Keep the instructions for future reference. If the product is passed on to another person, make sure to include the instructions.

Do not repair, disassemble or modify the product or its accessories yourself. Opening and/or repairing the product or its accessories may result in electric shock, product damage, fire, personal injury or other hazards.

Do not use the product or its accessories if they are damaged or defective. Use and store the product only within the specified operating conditions.

Always keep the product and its accessories dry. Do not immerse them in liquids or touch them

with damp or wet hands.

Before cleaning, disconnect the product from the connected devices. Clean only with a dry, clean cloth.

Do not drop the product or expose it to mechanical stress, such as excessive bending or kinking. Do not expose the product to direct sunlight. Do not operate or store the product near heat sources or open flames.

Observe the instructions provided with the connected devices.

The product, its accessories and packaging material are not toys. Do not allow small children to play with them, as they may injure themselves or others or damage the product. Keep the product, all parts, accessories and packaging material out of reach of small children.

Do not use the product for commercial, medical or special applications where product failure could result in death, personal injury or significant property damage.
