

MR969

MediaRange SDXC™ Memory Card, UHS-1/Class 10, 128GB

MediaRange flash storage media are known for their extremely good quality and reliability. Our SDXC memory cards are especially suited for use in portable devices like digital cameras, navigation systems, music players and camcorders. The high speed transmission rates prevent delays when photographing, or when copying and downloading your digital data. SDXC memory cards are suitable for use with SDXC-compatible devices.

FEATURES

- Capacity: 128GB
- Type: SDXC memory card
