Our Optical 4-Button Wireless Mouse is designed for comfort and precision, making it an ideal choice for both left- and right-handed users. Its symmetrical shape ensures a natural grip, while the adjustable resolution settings (1,000, 1,200, and 1,600 dpi) allow for customized sensitivity based on your needs.

Equipped with a 2.4GHz wireless USB dongle, this mouse offers a stable connection with up to 10 meters of range, providing flexibility and freedom from tangled cables. Built for longevity, the durable mouse buttons (left/right) are tested for over 3 million clicks.

Compatible with Windows, macOS, and Linux, this Plug & Play device requires no additional drivers—just connect and start working effortlessly. Whether for office use, home setups, or mobile productivity, this wireless mouse delivers comfortable navigation and reliability in any environment.

Key Features:

- Symmetrical Design: Perfectly suited for left- or right-handed users.
- Adjustable DPI Resolution: Switch between 1,000, 1,200, and 1,600 dpi for precise control.
- Reliable Connection: 2.4GHz USB dongle ensures a stable connection with a range of up to 10 meters.
- Durable and Long-Lasting: Left and right mouse buttons tested for over 3 million clicks.
- Plug & Play Compatibility: No drivers needed; works instantly with Windows, macOS, and Linux.
- Compact and Comfort: Lightweight yet robust, designed for extended comfort.
