

MRGS300

MediaRange Gaming Series wired 5.1 surround sound gaming-headset with volume control and red LED backlight, black/red

Crystal-clear sound and comfortable: Our gaming headsets are perfect for your next battle. The built-in soundcard with virtual 5.1 surround sound helps you to hear your enemies even before you spot them. The noise-cancelling microphone allows you to stay in contact with your team all the time and the soft-padded earpads make this headset perfect for long and intense gaming sessions.
