

MRCS231

MediaRange HDMI™ to VGA (HD15) Video Converter, 20cm, Black

Seamless Connectivity for Every Setup

MediaRange offers a comprehensive selection of high-quality cables and converters, designed to meet the needs of both professional and everyday users. Whether you're looking for a reliable adapter, a converter or durable connectivity accessories, our products ensure seamless integration and performance.

From office workstations to home entertainment systems, our cables and converters provide clear, stable signal conversion, support resolutions up to 3.840 x 2.160 @ 60 Hz, and they are ready for immediate use thanks to Plug & Play. Experience smooth video and Audio output and dependable performance for all your display needs.

Reliable HDMI to VGA Video Conversion

The MediaRange HDMI™ to VGA Video Converter is your go-to solution for connecting modern HDMI-equipped devices to older VGA displays. Designed with versatility and performance in mind, it ensures smooth video output with full HD support, making it ideal for various environments—from office setups to home media use.

Thanks to Plug & Play functionality, no additional drivers are needed. The sturdy construction and gold-plated contacts guarantee stable and consistent performance, while the compact design allows easy transport and setup.
