

MROS308

MediaRange Wireless Over-Ear hybrid ANC headphones with fold-out boom microphone, function buttons, rechargeable 800 mAh battery, dual-device pairing (BT version 5.4) and AUX, Black

Wireless freedom in everyday life.

Whether you're working from home, commuting, enjoying your favorite playlists or taking calls on the go, the MediaRange MROS308 headphones are your all-day audio companion. With hybrid active noise cancellation that quiets the world around you, you can dive deeper into your music, movies, and meetings — without distraction.

Premium sound for every moment.

Custom-tuned 40 mm dual-chamber drivers deliver a rich, detailed soundstage that brings every track to life. From your favorite podcast to high-energy playlists, the balanced audio performance makes every moment feel more immersive and personal.

Versatile connection options

Switch easily between PC and smartphone via 2.4 GHz USB receiver or BT 5.4. Alternatively, use the AUX connection for wired listening. Seamless connectivity ensures your audio keeps up with your day.

Comfort that keeps up

Designed for long listening sessions, soft over-ear cushions and an ergonomic build make the MROS308 comfortable whether you're binge-watching, on a long flight, or spending hours in virtual meetings.

All-day battery life - no pause required

Enjoy up to 80 hours of wireless playback at moderate volume - or up to 45 hours with ANC on - and stay powered through your busiest days and longest journeys.

Crystal-clear calls, smart control

The integrated flip-up boom microphone with dual-mic Environmental Noise Cancellation (ENC) helps your voice cut through background noise during calls, ensuring smoother communication on Teams, Zoom, or regular chats.

FEATURES
