storage solutions. The scratch-resistant surface adds another layer of protection against everyday handling.

MediaRange BD-R discs are the perfect choice for storing large volumes of data, high-resolution images, or HD video content. With a capacity of 25GB per disc and writing speeds of up to 6x, these discs enable fast and secure archiving of your files. Manufactured using reliable HTL (High-to-Low) recording technology, BD-R media offer enhanced durability and long-term data integrity—ideal for demanding archival purposes and professional content distribution.

FEATURES

- Capacity (1): 25GB / 135 Minutes Full HD Video
- Format: BD-R (HTL Type)
- Recording Speed: up to 6x
- Packaging: 25-Pack
- Surface: white, full-surface printable
- Printing area: 23 - 118mm
- Underside: fully metalized
- Suitable for inkjet printers with disc print function
- Professional and quick-drying surface
- HTL (High-to-Low) recording layer for long archival life
- Excellent compatibility with Blu-ray burners and players
- Reliable recording stability for large data volumes
- UV light resistant
- Scratch-resistant recording layer

Estimated Storage Capacity (2)

- 8,300 Images
- 135 Minutes Full HD Video
- 6,250 Songs
- 25,000 Documents

APPLICATIONS

Applications

- Archiving your files
- Creating backups
- Professional media duplication
- Thermal, silkscreen, or offset printed projects
- Multimedia production

Handling and Storage

MediaRange GmbH
Geschäftsführung: Markus Speer, Max Eckhardt

Straße: Zum Quellenpark 29
Ort: D - 65812 Bad Soden

Tel.: +49 (0)61 965 2381 80
Fax: +49 (0)61 965 2381 89
