MRBAT131

MediaRange Lithium Coin Cells, CR2025|3V, Pack 4

MediaRange Lithium coin cells are the perfect power source for a wide range of devices. Our high-quality batteries are designed to deliver reliable, long-lasting power and are ideal for use in small, high-drain devices such as watches, calculators and remote controls. They offer a long shelf life and consistent performance, making them a great choice for devices that require a reliable power source.

FEATURES

- Type: Lithium Coin Cell
- Size: CR2025
- Capacity: 160mAh
- Dimensions: ø20x2.5mm
- Voltage: 3V
- 0% cadmium and mercury
- Packaging: 4 pack
- Latest lithium technology
- Continuous power supply
- Long-lasting power
- Excellent reliability

APPLICATIONS

- Suitable for devices with high power consumption and continual use: cameras, clocks, calculators, remote controls etc.

Operating and Safety instructions

Not rechargeable. | Do not dispose of in fire. | Do not open.

Please make sure that you use the correct size and type of the battery specified by the manufacturer of your device.

Please make sure that the batteries are inserted with the correct polarity. Plus (+) and minus (-) pins are marked both on our batteries.

Remove batteries from the device when it is not in use for several months.

Store batteries in a dry place at normal room temperature.

Do not use batteries in extremely hot or cold areas. Extreme temperatures reduce the battery performance.
