FalconMedia Premium Line DVD+R Double Layer 2P 8.5GB|240min, 8x speed, inkjet fullsurface printable, smart white hub, wide sputtered, Cake 50

FalconMedia Premium Line DVD±R DL 2P 8x 8.5GB capacity, manufactured by FTI continues to set the standard for high speed disc performance, reliability and compatibility. FalconMedia Premium Line DVD±R Double Layer Photo polymerization "2P" Mitsubishi Chemical Media Company process, delivers expanded 8.5GB of storage capacity, supporting high speed recording at 8x which allows the user to record massive amounts of data in just a few minutes while maintaining compatibility with most DVD video players and DVD ROM drives. Our product offers one of the best rated recordable DVD dual layer in the market with high recording quality ensuring a longer archival lifetime (guaranteed archival life span of 30 years) and better readability. FalconMedia Premium Line DVD±R DL 2P utilizes Azo dye ultra-stable recording layer enabling excellent read and write performance with high recording quality and superior archival stability. FalconMedia Premium Line DVD±R DL 2P is ROHS/REACH compliant. Print Surfaces Availability: • Inkjet Smart White, Smart Guard • Thermal White • Other: Blank Shiny Silver lacquer and customized Silkscreen Key Benefits: • Azo dye • MKM Media Identification Code (MID), 2P Technology • Guaranteed archival life span of 30 years • 8.5 GB Storage Capacity • Lowest error rates in the market • Proven best reliability and highest durability with full

traceability• Excellent performance and compatibility with most popular drives
