FEATURES

- High Definition Video and Audio Transmission: Supports the transmission of high-definition video and audio signals, allowing you to connect various devices such as TVs, Blu-ray players, gaming consoles, and computers.
- Resolution Support: The cables can transmit video resolutions up to 1080p (Full HD), providing crisp and clear images for your viewing pleasure.
- DVI-D-Plug-19-Pin (18+1), Digital Dual Link: Equipped with 19-pin connectors in a 18+1 configuration, this cable supports Digital Dual Link technology and effectively doubles the transmission power for improved digital signal transmission.
- Durable Design: The cable is high-quality shielded and designed in a round shape. This combination ensures enhanced protection against electromagnetic interference, maintaining a stable and reliable connection.
- Deep Color and x.v.Color Support: Supports Deep Color and x.v.Color technologies, allowing for more vibrant and lifelike color reproduction in supported content.
- 2.0m Length: Providing a suitable and practical length for connecting devices over short to medium distances.

APPLICATIONS

- Home Entertainment: Perfect for connecting a video device with a monitor, TV, computer and other devices.
- Gaming: Delivering optimal performance and reliability for an excellent gaming experience.
- Business: Professional Presentations with reliable connectivity for projectors and displays.
