MRDY40918

MediaRange Plastic tape cassette, for label printers using Dymo® D1/40918/S0720730, permanent adhesive, 9mm, 7m, laminated, black on yellow

MediaRange compatible label tape cartridges offer reliable quality for all your labeling needs. Our extensive selection of label tape cartridges provides a variety of sizes and colors to meet a wide range of application requirements. Ranging from 6mm to 24mm in width, the permanent adhesive labels with laminated surface ensure durable adhesion and readability, with excellent compatibility with corresponding label printers. Whether in the office, warehouse, retail, or at home, our versatile color options including black, white, red, blue, green, and yellow provide the perfect solution for your individual needs.

- Extensive range of sizes: Our label tapes are available in sizes ranging from 6 mm to 24 mm, offering versatility for various applications.
- Diverse color options: Choose from a variety of color options, including black, white, red, blue, green, and yellow.
