MRMA114

MediaRange 12W Fast Charging Adapter (EU-Plug), 2x USB-A, White

Efficient charging of two devices from a single outlet

The MediaRange 12W fast charging adapter is designed for reliable charging of mobile devices via standard electrical outlets. It enables simultaneous charging of up to two devices using two USB-A ports.

Intelligent charging control for safe operation

Intelligent integrated chipsets continuously monitor charging power and temperature throughout the charging process to ensure stable and safe operation during everyday use.

Certified safety and durable housing design

The adapter features a shock- and fire-resistant V0-rated polycarbonate housing and is Intertek

FEATURES

Key Features

- 12W fast charging adapter with Type-C EU-Plug
- Two USB-A ports for simultaneous charging of up to two devices[1]
- Intelligent chipsets for continuous monitoring of charging power and temperature
- Overvoltage, overcharge, short-circuit and overheating protection
- Shock- and fire-resistant V0-rated polycarbonate housing
- Intertek GS certified and equipped with comprehensive protection mechanisms[2]

Technical Data

- Input voltage / frequency / current: AC 100–240V, ~50/60Hz, 0.5A (max.)
- Total output power: 12W (max.)
- Output voltage / -current / -power: USB-A1/A2: 5.0V ? 2.4A (12.0W max.)
- Combined output power: USB-A1 + USB-A2: 5.0V ? 2.4A (12.0W max.)
- Average efficiency during operation: 80.68%
- Efficiency at low load (10%): 79.03%
- Power consumption at zero load: 0.052W
- Color: White
- Dimensions / Weight: 41 × 25.9 × 78.2 mm / 46 g

Included in the Box

- Charging adapter
- User manual and safety instructions

APPLICATIONS

[1] When charging multiple devices simultaneously, output power is shared and charging speed may be reduced.

[2] The GS certification applies exclusively to charging adapters with EU plug. Models with UK plug do not carry the additional GS certification.

Please read and follow the included user manual and safety instructions before use. Charging speed depends on the connected device, cable quality and operating conditions. Charging cables for end devices are not included. All technical specifications are based on internal records and tests under controlled conditions. All products and illustrations mentioned are subject to change. The illustrations shown may differ from the actual product. Technical changes as well as errors and misprints are reserved.
