Reliable USB Type-C® to Micro USB-B 3.0 Cable for High-Speed Transfers and Efficient Charging

Our USB Type-C® to Micro USB-B 3.0 cable is the ideal solution for charging and syncing Micro USB 3.0 devices with modern USB-C® ports. With robust construction and high-performance design, it ensures fast data transfer and stable charging—perfect for hard drives, smartphones, tablets, and more.

This 50cm black cable combines flexibility and durability while maintaining a secure, high-quality connection. Plug & Play means no additional drivers are required—just connect and go.

Whether you're in the office, at home, or on the move, this cable is a reliable companion for efficient charging and data transfer.

Key Features:

- **High-Speed Data Transfer**: Supports SuperSpeed USB 3.0 with transfer rates up to 5 GB/s
- **Power Delivery Support**: Provides up to 15W charging (5V?3A max.)
- **Plug & Play Compatibility**: No drivers needed; works instantly with Windows, macOS, and Linux.
- **Compact and Durable**: 50cm black cable offers flexibility while ensuring a strong and stable link.
