MRCS345

MediaRange Power Cable – Schuko to IEC C13, max. 10 A, max. 2500 W, 1.5 m, black

This power cable provides a reliable and safe power connection for electronic devices equipped with an IEC C13 power inlet.

The combination of a Schuko plug and a robust cable construction makes it suitable for everyday use in home and office environments.

The grounded design supports Class I devices and ensures stable power transmission for common IT and office equipment.
