

MR471

MediaRange DVD+R Double Layer 8.5GB | 240min, 8x speed, inkjet fullsurface printable, 100-Pack

MediaRange DVD+R double layer storage media are perfect for archiving your data quickly and efficiently. The excellent recording stability allows your data to be saved in just 14 minutes with write speeds of up to 8x. The superb compatibility with burners and players ensures that you can access your personal photos, documents, music, videos and backups anywhere and at any time. Our entire range of storage media is known for its long archival life and excellent UV light resistance. The full-surface printable discs can be used with all inkjet printers that have a CD print function. Give your media an individual and professional design just the way you want.
